Motor Yacht Symphony II

Head to exciting and exhilarating areas south of the hurricane belt from June thru October and not only can you take advantage of the fabulous balmy breezes and more competitive prices, you'll also enjoy acres of space to yourself. As everyone who's anyone in the yacht world knows, it's the classic season to head to these waters. The owner of Symphony II offers personal recommendations for his favorite Caribbean hot spots.

ST. LUCIA

Whether you're after romance, rejuvenation or adventure, St. Lucia is your destination. A genuine, natural landscape of gorgeous palm-fringed beaches, miles of unspoiled rainforest and the majestic Piton Mountains, are sure to indulge every taste.

ST. VINCENT

From St. Vincent's lush tropical rainforest full of eco adventures, to the idyllic beaches, coral reefs and turquoise lagoons of The Grenadines, St. Vincent is a tropical paradise for yachting, scuba diving, enjoying nature and relaxing in luxurious hideaways.

MUSTIQUE

Unquestionably one of the most exclusive islands in the world located in the southern Caribbean with lush rolling terrain cooled by gentle trade winds, surrounded by pristine white beaches and crystal clear aquamarine waters. This private island is owned and operated by the Mustique Company, comprised of shareholders and villa owners from 17 countries dedicated to protecting the island's natural beauty, tranquility and privacy.

BARBADOS

Barbados is a coral island, pushed out of the sea by volcanic activity in a far away time. On the West Coast of Barbados, coral shore beaches of fine white sand stretch along a blue-green sea. Along the East Coast, a lively surf is blown briskly by the strong and constant trade winds and the waves pound against a rocky shore. The constant breeze of the trade winds give Barbados a mild and pleasant tropical climate.

TOBAGO CAYS

Anchor in the waters where they filmed Pirates of the Caribbean – it is a national park area and as such, is wonderfully tranquil and unspoiled. There are also great snorkeling opportunities here.

CANOUAN

The dream of a private, exclusive world surrounded by the splendid sea of the southern Antilles, endowed with romantically secluded bays and long beaches of pearly white sand. Underwater aficionados from every outpost of the world confirm these emerald waters contain the finest coral conditions in the Caribbean. The spell of Canouan Island is immediate. An invisible perfume nourishes the body, mind and spirit while hummingbirds pollinate bougainvillea and orchid blossoms.
